

Price List - OeKB User Administration

Prices in EUR, net VAT. – Last updated: October 2012

Access to the User Administration through the customer's in-house Administrator

The customer's in-house Administrator in charge of User Administration needs an RSA Key Fob Token or an SMS Token. The following costs are incurred:

No. of Administrators	Fee ¹ per Administrator/Token per month	
	SMS Token	RSA Key Fob Token
First and second Administrator	0 EUR	0 EUR
Each additional Administrator	25 EUR	40 EUR

¹ This fee includes all costs relating to OeKB providing and managing the Token on a continuous basis.

If the customer's in-house Administrator is already using an existing Token for OeKB Services, it can be used for User Administration at no cost.
