

Financing your domestic investments - "Auftragsinvest"

Your situation

You are an Austrian company that is planning to invest in Austria to fulfill one or more signed export contracts. Examples of possible investments: a further production line, the replacement of a machine or erection of a new warehouse.

Your solution

With "Auftragsinvest" we support you in financing your domestic investments. Your bank finances the investment and we refinance your bank. The Republic of Austria can take over part of the commercial risk from your bank. Auftragsinvest shall be used as an additional financing instrument, complementing the existing funding schemes of the Republic of Austria or other local authorities.

Your benefits

- Your funding becomes easier as the Republic of Austria can take over part of the commercial risk from your bank up to 30%, depending on your creditworthiness, repayment structure and term.
- In case of investments in particularly sustainable projects risk of up to 40% can be taken over.
- Flexible repayment structure with attractive conditions
- Maturity of up to 18 years in general, depending on your investment
- Investment costs can be financed up to the volume of your signed export contracts.

Your price
