Guarantee for indirect deliveries and services - suppliers’ credits
Fact sheet, January 2020

Your situation

You are:
**a)** either an **Austrian company** exporting capital goods or services. You are planning to conclude a contract for deliveries or services with a foreign client who is in turn planning to re-export them.

**b)** or a **foreign company** exporting capital goods or services with a high Austrian content.

You seek insurance against the risk that your final customer does not fulfill its contractual obligations.

Your solution: Guarantee for indirect deliveries and services (G2)

With the guarantee for indirect deliveries and services you can get insurance cover during the production and repayment phase against payment default, insolvency of the contract partner or cancellation of the contract by the final customer. Also political risks (e.g. war, impossibility to deliver or to transfer currency due to a political crisis) are covered.

Your benefits

- Limitation of financial loss resulting from commercial and political risks in international projects
- High cover ratios: political risk 99 - 100%, commercial risk usually 95%
- We can also cover long repayment terms, difficult countries and major projects.
- Small fees – also for minor projects
- Access to OeKB Export Financing Scheme via your bank on favorable conditions
- Guarantees in EURO or contractual currency
Your price

Guarantee premium  depends on client’s country, client’s creditworthiness, risk period, amount insured etc.

Handling fee  0.1% of the amount insured; min. 10 EURO, max. 720 EURO
