**Guarantee for the sale of accounts receivable**

*Fact sheet, January 2020*

**Your situation**

You are an Austrian company exporting capital goods or services. You are planning to conclude a contract for deliveries or services with a foreign client and plan to grant him medium to long-term payment conditions. You do not want to keep these accounts receivable in your books. Additionally, you seek insurance against the risk that your client does not fulfill its contractual obligations.

**Your solution: Guarantee for the sale of accounts receivable (G1G9)**

You can grant your contract partner medium to long-term payment conditions and do not need to keep the accounts receivable in your balance sheet if you sell them to your bank. The buyer pays the accounts receivable back as agreed in the export contract either to you (on an undisclosed basis) or to your bank (on a disclosed basis). OeKB insures your contract during the production and repayment phase against political and commercial risks.

**Your benefits**

- OeKB protects you and your bank during the production and repayment phase against commercial and political risks.
- Your quotation may become more attractive as you can offer longer payment conditions.
- High cover ratios: political risk 99 - 100%, commercial risk usually 95%
- We can also cover long payment conditions, difficult countries and major projects.
- Improvement of the liquidity situation of your company
Your price
